

LOST DOG

Our dog made the great escape Tuesday early afternoon 2/17/15. He is a super sweet boy and likes to chew on cuffs of pants and long sleeve shirts. His name is Duke and is wearing nothing to identify him but a red nylon bark collar, as his id collar got caught in the fence he cleared. He is a neutered german shepherd/bulldog mix with medium length hair and is about 95 pounds.. He was lost near Ogden and Corona and 9th and 10th.
